K. M. Kamrul Kader, J :

On an application under Article 102 of the Constitution of the People's Republic of Bangladesh this Rule Nisi was issued on 05.04.2022, in the following terms:

“Let a Rule Nisi be issued calling upon the respondents to show cause as to why the judgment and decree dated 21.10.2020 (decree signed on 28.10.2020) passed by the learned Judge (Joint District Judge) of Land Survey Tribunal, Sylhet in Land Survey Tribunal Suit No.212 of 2015 decreeing the suit (Annexure-C and C-1) should not be declared unlawful, arbitrary and thus is of no legal effect and/or

such other or further order or orders pass as to this Court may seem fit and proper.”

This Rule Nisi was issued on the ground that the Government has not yet been established any Land Survey Appellate Tribunal under Section 145B of the SAT Act. Due to this reason, the petitioners have failed to redress their grievances by filing appeal against the order, judgment and decree passed by the concerned Tribunal.

Mr. Sk. Shaifuzzaman, learned Deputy Attorney General submits that the government has already been published Gazette for establishing Land Survey Appellate Tribunal in different districts and the petitioners of the writ petition may redress their grievances by filing appeal, before the respective Land Survey Appellate Tribunal of the respective districts and as such, he prays for discharging the Rule.

It appears that in the meantime, the Government has already established the Land Survey Appellate Tribunal in the respective districts vide Gazette notification dated 11.07.2023 to hear the appeal arising out of judgment and decree and/or order of the Land Survey Tribunal in different districts. Considering the facts and circumstances of the matter, we are of the view that the petitioners may redress their grievances by filing appeal, before the Land Survey Appellate Tribunal, [Sylhet](#) and as such, the Rule issued by this Court has become infructuous.

In the result, the Rule is disposed of with direction. The petitioners are at liberty to prefer appeal within 03(three) months from the date of receipt of the order, if any, before the Land Survey Appellate

Tribunal, Sylhet and in preferring such appeal delay occurred, if any, shall be condoned.

In the meantime, the order of *stay* granted at the time of issuance of the Rule shall continue till filling of the appeal before the Land Survey Appellate Tribunal or 03(three) months from the date of receipt of this order, whichever is earlier.

The learned Advocate for the petitioners are permitted to take back the certified copies of the annexures, if any, by substituting the Photostat copy of the same.

There will be no order as to costs.

Send down the Lower Court's Record, if received by this Court and communicate the judgment and order to the petitioner and the respondents at once.

Khizir Hayat, J:

I agree.
