... For the appellant

Mr. Lutfor Rahman, Advocate

... For the respondent No. 2

It appears that this first miscellaneous appeal was admitted by a single bench of this Court on 04.06.2024 and issued a Rule being Civil Rule No.243 (FM) of 2024 directing the petitioners to put in requisites within 48 hours in default the Rule would stand discharged. It appears that the learned advocate though submitted requisites in the rule within time but did not put in required requisites in courts in the instant FMA. It further appears from office note dated 03.12.2025 that till that date no requisites as required were put in for which the matter was posted before this bench and accordingly on 05.01.2026 this Court by order dated 05.01.2026 directed the appellant to submit required requisites within 07 (seven) working days failing which the Rule would stand discharged.

It further appears from office note dated 04.03.2026 that no requisites were put in as per court's order.

The order dated 05.01.2026 was passed in accordance with the provision of Rule-15A of Order-XLI. Since the appellant failed to comply with the order dated 05.01.2026 within
